

GENDER RESEARCH CENTRE

Vision

To ensure the expansion of gender-aware educational opportunities and active support to feminist and related fields of research are essential part of the College.

Mission

To engage in theory and practices to position the college as a leader in research and teaching gender responsive pedagogy within the college and beyond

Values

Gender Research Centre is an inter-disciplinary and diverse community of scholars committed to researching and promoting gender equality.

- Commitment to high quality research and training
- Belief in partnership and co-creation of knowledge
- Reaching wider community through inclusion and dissemination

“Investing in gender research is a worth investment”
